Product Name :
Penetrometer Needle

Product Code :
TEST5080RFQLAB-0005

Description :

Penetrometer Needle

Technical Specification :

It is highly polished and tapered steel rod mounted in brass shank to fit into the plunger of penetrometer.

We are a leading manufacturers of Penetrometer Needle testing equipment for a range of industries, including materials science testing lab. We offer full range of Penetrometer Needle testing equipment, including Penetrometer Needle testing kit, Penetrometer Needle testing machine, Penetrometer Needle testing tools, Penetrometer Needle test equipment, Penetrometer Needle test machines, Penetrometer Needle for Lab Testing Instruments. We are suppliers of materials testing tools and equipment for the construction industry. Our mission is to provide reliable, accurate, and easy-to-use Penetrometer Needle testing equipment that helps customers build better, safer, and more sustainable infrastructure.
