

**Product Name :**  
Length Comparator Electronic

**Product Code :**  
TEST5056RFQLAB-0008

**Description :**

Length Comparator Electronic

**Technical Specification :**

Length Comparator with electronic dial gauge

Except that it has a displacement sensor or digital gauge of +10mm travel and a read out unit with sensitivity of 0.001mm.

We are a leading manufacturers of Length Comparator Electronic testing equipment for a range of industries, including materials science testing lab. We offer full range of Length Comparator Electronic testing equipment, including Length Comparator Electronic testing kit, Length Comparator Electronic testing machine, Length Comparator Electronic testing tools, Length Comparator Electronic test equipment, Length Comparator Electronic test machines, Length Comparator Electronic for Lab Testing Instruments. We are suppliers of materials testing tools and equipment for the construction industry. Our mission is to provide reliable, accurate, and easy-to-use Length Comparator Electronic testing equipment that helps customers build better, safer, and more sustainable infrastructure.
