

Product Name :
Load Frame, Motorised, 50 kN capacity with Single Speed

Product Code :
TEST5015RFQLAB-0002

Description :

Load Frame, Motorised, 50 kN capacity with Single Speed for Testing Lab Equipment Tender Suppliers India

Technical Specification :

It is a single speed load frame designed for 1.25mm/min strain rate. It can accommodate Triaxial cells up to 100mm diameter specimen. Loading capacity is 50kN. Operates on 220V, 50Hz supply
