

Product Name :
Air Entrainment Meter 1L

Product Code :
TEST5065RFQLAB-0006

Description :

Air Entrainment Meter 1L

Technical Specification :

Volume: 1L

Air entrainment range: 0-100%

Accuracy: 0.1% up to 5% air, 0.15% from 5% to 21% air, and 0.2% from 21% to 100% air

Pressure gauge: Dustproof, waterproof, explosion-proof

Main unit material: Magnesium aluminum silicon alloy

Buckle: Push type
