

Product Name :
Beverage Dispenser Blast freezer -40°C

Product Code :
TEST5182RFQLAB-0005

Description :

Beverage Dispenser Blast freezer -40°C

Technical Specification :

Beverage dispenser Blast freezer -40°C
CO2 mixing
Voltage and frequency 220 50Hz
Temp range: -40-3 °C
Power: 220-240 50
Stainless steel body
Machin size L, W, H: 31.5", 31.5", 39.37"
Cool air by forced convection
With trays made of stainless steel
Smart LCD display
Free standing
About 100-120 liters
R-404A

Testing lab instruments India
